To whom this may concern;

This letter is to certify that I know of _____ as an upstanding member of our faith. Please note that even in this day and age ALL JEWS are obligated to observe all the Laws that were given to us by the all Mighty G-d. Just as then when the Holy Temple was erect we were obligated to comply with all things that are clearly mentioned in our Holy Torah so that we stay as a true and faithful Jews. So too today the Laws still apply, for instance the Holy Torah tells us openly, "Do Not Do Evil", "Do Not Eat Pig" "Do Not blasphemy", "Do Not Speak Evil" and all other 613 Holy Commandments STILL apply today. Amongst them the Law of "Choosing Life over Death" implies to us that any Life less than 100% "Healthy" means "Death".

With the said above the Leaflets of All Vaccines write on them "May Cause Side Effects" of numerous adverse reactions which means that they have even a slightest chance of making any person on whom these Vaccines administered not 100% Healthy anymore.

We are not even starting to negotiate the fact that the CDC itself and the VAERS both report of "Adverse Reactions" to All Vaccines not just the current Covid Vaccine on discussion of everyone. Please Note even if this Vaccine is/or fully approved by the FDA it will still be against our holy Torah to advise any Jew to take it because of mentioned above.

Because our Holy Torah prohibits us to do anything to our bodies that will make us less than 100% Healthy, therefore I as a NYS Clergy and a Local Community Rabbi will not allow or permit any Jew to put themselves in this grave danger.

If and when the Vaccines will be harmless and 100% Effective we should revisit the situation and maybe I'll reconsider my stands on this issue.

Should you need any more clarification you can reach me at the number below.

Thank you,

Rabbi Avraham R C Sofer
