The Bishop believes that “the next tricks of the criminals who rule the world will be artificially created famine” and urges Europeans to stock up on food while they can still buy it.

On May 15, 2022, controversial British Bishop Richard Williamson spoke out in support of the special military operation of the Russian Federation in Ukraine. He called Russia the last obstacle to the One World Order. Globalists have longed to rule the world through an authoritarian one-world government that will replace sovereign nation-states.

“Among the heads of state, there is only one who is standing up to the forces of evil. Don’t count on Boris Johnson in England. Don’t count on Macron in France. Don’t count on Draghi in Italy. It’s Vladimir Putin who may be no angel and no saint, but nevertheless, he is a man of intelligence and

According to the Bishop, “the Russians are fighting in Ukraine, but not in such a way to smash or crush and destroy Ukraine.” In this regard, Williamson recalled the purpose of the special operation, voiced by Putin: the denazification and demilitarization of Ukraine. “But foolish Europe,” the Bishop continued, “follows the orders of the United States in their attempt to crush Russia.”

Williamson believes that “the next tricks of the criminals who rule the world will be artificially created famine” and urges Europeans to stock up on food while it can still be bought.

“They played the trick of Covid; they played the trick of Ukraine, which has been provoking Russia since 2014. Russia had to defend itself. The real aggressor is not who he looks like. US agents have been provoking Russia from Ukraine for several years,” said the Bishop.

Williams lamented that for many Americans, who were mostly Christians, their real religion is now politics, and “many of them out of patriotism want to destroy Russia because Russia is the last obstacle to a United World Order.”

Bishop Williamson is an English Traditionalist Bishop formerly in communion with the Catholic Church who opposes the changes in the church brought about by the Second Vatican Council. The 82-year-old Priest was originally a member of the Society of Saint Pius X (SSPX). He was [subsequently excommunicated](#); this was lifted in 2009. Williamson was convicted in German courts of denying the Holocaust and incitement related to those views.

The fall of EU!

June 3, 2022 at 11:58 pm

That is strange, because isn't also Putin a WEF drilled terrorist? Seems Putin does not obey Schwab's and Soro's orders.

We already know Bush and CIA was behind September 11, not any ridiculous Bin Laden.
CIA also killed John F. Kennedy.

And Lyndon B. Johnson should had been sitting in the electric chair for having John F. Kennedy killed and for the GENOCIDE in Vietnam.

Also Nixon should had been hanged for war crimes in Vietnam.

USA is a sick country full of psychopathic presidents.

What were Nixon's war crimes? He ended the Vietnam war. Johnson was the one who escalated the hell out of it.

But to your point, the two political parties are just opposite sides of the same coin. Trump is the only non-establishment President we've had since Kennedy.

I've been saying for months that Putin is the only obstacle for the NWO taking over the world. Before the coup in November 2020, it was Trump who was in their way. Since they installed Potato Brain in a fake election, the US and NATO countries have been poking Russia in the apparent hope to start a war with them. I hope you have been preparing for a long black spot on human history.

Hey Bishop, what and who are the genocidal criminals of Britain whose seed sown for centuries are now paying back for the sins you and your evil congregation has imposed for over 5 centuries of killing more than 350 million innocent Africans, Asians, Latin Americans, the Islands and the rest, So tell your English Gods to cleanse your sins in the manner you cleansed your poor helpless colonies! Just find a tall mountains and all the Brits jump from it to get a easy way out!

May God bless you and protect you Bishop Richard Williamson. Spoken the truth.

911 was staged by CIA/MI6/MOSSAD/BBC and 7/7 was staged by MI5 costing the lives of Gary Williams and Paul de Menezes. Their files arnt closed by the Met; I am extremely grateful to the director and producer of the series Spooks, and Line of Duty who screened the truth about 7/7 was an inside job and the Met is politicised.

The US/UK/EU/NATO and their Criminal Allies are Stakeholder Corporations. Their Corporate Motto is: "We Lie, We Cheat, We Steal, and By Way of Deception We Create Conflicts, and We Rule." 65% of the population have an IQ below average and 34% are morons, voted to live as tenants in their own homes and led to perpetual Serfdom. They controlled by the Anglo-Americamn Khazarian Zionist Larceny Inc. Imperium, presently Bankrupt and have taken, a choice: a) Inflate or b) Implode/Die. They have chosen to Die! Ukraine is the Proxy regardless how Uks would die. George Fondis – MMO

I speculate that, since Putin is a "Klaus Schwab WEF Graduate" that he is just as much in on the kabuki theater in Ukraine and the Great Reset that conflict is facilitating as the most ghoulish of our unelected puppet overlords like Soros, Kissinger and the secret societies and bloodline families whose creatures they are like Biden and Xi and Trudeau and Macron.

Putin is not globalism's enemy but rather, Putin made sure to promote the plandemic and its so called
