Biden’s Covid Czar Dr. Ashish Jha on Friday said he doesn’t want life in the US to go back to normal.

Dr. Jha wants to build a ‘new normal’ that has “equity” at the heart of it.

The Biden Regime just says the quiet part out loud now.

“I’ve heard Secretary Cardona say this over and over again. You know, people do talk about going back to normal... and I’ve heard the secretary say, ‘well, you know, normal wasn’t working out so well every-for some people,” Jha said.

“So the goal in my mind is not to go back to normal, the goal is to build a very different new normal that has equity much more at the heart of it,” Dr. Jha said.

You gotta crack a few eggs...

The billions in Covid relief money will help build Dr. Jha’s ‘very different new normal.’
