# Gates Foundation Donates Millions to NGO That Seeks to Normalize Child Prostitution and Sexualization of Children Under 10

By Amber Crawford (<https://100percentfedup.com/author/maggi/>) | Apr 18, 2023

2.8K SHARES  ([https://www.facebook.com/sharer/sharer.php?u=https%3A%2F%2F100percentfedup.com%](https://www.facebook.com/sharer/sharer.php?u=https%3A%2F%2F100percentfedup.com%2F))

The Bill & Melinda Gates Foundation has been giving millions of dollars to a nongovernmental organization that tries to normalize commercial sex work and education on gender identities for children 10 and under.

The International Planned Parenthood Federation (IPPF) is made up of 120 independent organizations in over 146 countries and has received over \$80 million from Gates.

The World Health Organization has also significantly contributed to the IPPF.

The IPPF claims that they work “to ensure people are free to make choices about their sexuality and wellbeing in a world free from discrimination.”

This NGO teaches sex education to children around the world and, in a 2017 “toolkit” that was recently spotlighted, the organization suggests that prostitution should be categorized under “types of relationships” like marriage and dating.

**Trending:** [BREAKING: Top Fox News Host Tucker Carlson Leaves Cable New Network... This toolkit recommends that children under 10 should be taught that “sexual activity may be part of different types of relationships, including dating, marriage, or commercial sex work, among others.”

## Key learnings: Interpersonal relationships

### Under 10

- You can have different types of relationships with other individuals, including friendships, love relationships and intimate relationships. Your culture may dictate the way you can interact with others.
- Relationships aren't just about having a boyfriend or girlfriend. Throughout your life, you will have different kinds of relationships – e.g. with your schoolmates and, later in life, your work colleagues.
- You should never be forced to be in an emotional or intimate relationship with another person.
- Some relationships may involve sexual activity. Sexual activity should always be mediated by consent. This means that each individual agrees, free from any pressure, to engage in intimate relationship.
- Sexual activity may be part of different types of relationships, including dating, marriage or **commercial sex work**, among others.

The toolkit also insists that children are “born sexual” and that sexuality “develops and changes throughout your life.”

A recommendation is that children under 10 should be told, “As you grow up, you might start to be interested in people with diverse gender identities.”

The IPPF toolkit focuses heavily on the sexuality of children under 10, encouraging the teaching that “sexuality is a part of you from the moment you are born.” The organization tries very hard to make people view children as “sexual beings, regardless of their age.”

“Sex positivity acknowledges that human beings, including adolescents and young people, are autonomous sexual beings,” the toolkit states, weirdly trying to normalize the sexualization of children.

“Sexual rights include... the right to say yes or not to sex; the right to express sexuality, including the right to seek pleasure; the right to enjoy bodily autonomy,” the toolkit says.

The IPPF document also recommends talking to children as young as 10 about emergency contraceptives and deciding to continue or terminate a pregnancy.

Dull would work better than sharp. during my younger marine days, our platoon sgts would instruct us to never sharpen our bayonets, because dull cuts were jagged instead of straight, so a dull deer antler is quite acceptable to use on pedo filth

Book already happened. I voted against hillywitch before I found out Epstein compromised warp speed Trump  
Jr walks his talk. Let's get someone who will actually fight the swamp instead of filling it  
with filth like Jeffy Sessions then Bill Epstein connected Barr who did nothing. Trump isn't the answer.

Alt, Ctrl, Del for Bill, Melinda and their Foundation. Same for Elon. These people are not what they portray themselves to be. Bill is
