Reporter Nick Sortor [took to Twitter](#) to report on the ongoing disaster of Maui's tragic fires:

Good morning again from Maui, where residents are being ROYALLY screwed by local, state, and federal governments.

There are COUNTLESS important issues to note, but here are just a handful:

1. The town of Lahaina is being INCREASINGLY fortified, and there are police & military checkpoints at literally every corner
2. Residents are starting to become literally impoverished due to all the shutdowns.
3. The government has put TENS OF THOUSANDS of people out of work and countless people are about to be forced into bankruptcy.
4. Federal aid is almost IMPOSSIBLE to get.
5. THE GOVERNMENT STILL WON'T DISCLOSE THE AMOUNT OF CHILDREN MISSING OR DEAD.
6. The “official” number of people missing keeps changing and seems to be based on TOTAL LIES.
7. RESIDENTS ARE LITERALLY BEING ARRESTED FOR ATTEMPTING TO VISIT THEIR OWN HOMES.

— MARK MY WORDS: We WILL get to the bottom of all this. I'm putting together a team of local residents & journalists to make it happen.

WHAT IS THE GOVERNMENT HIDING?

WHY DO THEY KEEP LYING TO THE GREAT PEOPLE OF MAUI?

\*\*\* I want to know YOUR thoughts, and and what YOU want to know about the situation on the ground here on Maui.

This is either government incompetence, or some kind of test run for a state/federal military FEMA takeover.

In other news, Maui is going to hell after rich celebs like Justin Momoa or whatever his name is told tourists to stay off the island. It turns out 80 to 90 percent of Maui’s economy is tourism.

[Sortor:](#)

! Residents of Maui get a lot more than just Labor Day off work nowadays.

And that's because Gov. Josh Green and washed "celebrities" declared Maui CLOSED after the Lahaina fires, causing TENS OF THOUSANDS of people to lose their jobs.

These elites don't give a cr\*p about regular folks.

Come visit Maui before the entire economy collapses and even MORE people lose everything.

- Beaches are EMPTY
- Resorts are EMPTY
- Restaurants are EMPTY
- Parks are EMPTY
- Streets are EMPTY

THOUSANDS of rental cars are stacked up at the airport.

There is NO better time to come.

Remember, 80-90% of Maui's economy is tourism-based. They need you!

Tourism dead. Tumbleweeds rolling through the airports. Rental cars rotting in the parking lots. The middle class getting wiped out. Just the way the globalists like it — imagine how little carbon is being emitted!

We the People must face the Truth. The GOVERNMENT works for Orpah. Jeff Bezos. Bill "Gates of Hell". The phonies who "bought islands" in Hawaii ponied up "\$10,000,000 for their neighbors in Lahaina. Noone offered shelter. The 5 star hotels didn't offer them rooms (too bad they aren't illegals huh?) And now their land is being stolen by governmet apparatchiks to be handed to the real estate developers in the Pedophile Elite. You see, they need a new island since Little St. James was shut down. And they were ALWAYS

greedy.

“Noone” is not a proper word.  
None is the proper usage for no one.

The nine most terrifying words in the  
English language are: 'I'm from the  
government and I'm here to help.

Sad but true and now the " people" will  
rely on the same incompetent nealigent

rely on the same incompetent, negligent leaders ( Bissen, Green) to lead the rebuild to recovery. The group think in a one party state ( for decades) is a mental illness brought on by indoctrination by misinformation since state hood . Lemmings have more independent thought. " The people" can complain at meetings, gather to talk about rights but the powers that be yawn in their faces. The people have no voice ( elections are one sided) so whatever illusion of democracy they believe they have is an illusion to quiet the mob. Like Roman Emperors hosting gladiator to the death fights: distract the angry mobs from revolting. Throw some read meat to the masses.

In truth, you responded with name calling (and you used a tired acronym to boot) and added zero in the form of substance. EVERY single statement by lahela is accurate in one form or another, and has been borne out by time. The historical record of the Uniparty, the reflexivity of partisan voting, and the mirage of "leadership" at the government level.

Mahalo! Well said. Living on Oahu is proof whether I offer an opinion or shut up; it won't change cost of living and governance in a one party state. Mr. Dover

may have other perceptions (if he lives in Hawaii) and he's entitled to his illusion. If anyone is interested, watch "you tube" the Maui Council Meetings re Lahaina fires. Maybe Hawaii is unique in its incompetence or perhaps it's like this elsewhere in the country.

With the Democrats record of cheating, I am really beginning they didn't vote for bit were Cheated. Does that thought ever cross anyone's mind?

You really think 2020 wasn't Years in the making?

I don't think anyone votes for this, but I bet lots of States Cheated to get there. I am not saying some don't vote Democrat, but I don't think the they expected to be murdered.

It's something to think about.

Considering where the leftist are placed elections its no wonder they were able to take it over.
