## How Blinken and Company Laid the Groundwork for the Ha

By [Matt Wolfson](#)

Banner headline events almost always flow from quieter real-life causes, exception. The coordinated raids and massacres on October 7 were pos and a half years in rooms at the State Department and the White House, International Crisis Group. These interventions were driven by a small whose actions have gone unreported in establishment media. Though t certainly involve a push to weaken both Israel and an Israeli governmen

The interventions flowed from one motivation: the State Department's c consensus reached at the end of the Obama Administration through its 2 level department staff, including [Robert Malley](#), whose [family history](#) as him with pro-Iranian movers, and the recently-retired [Wendy R. Sherman](#) with National Security staffer [Brett McGurk](#), had been [crucial in pushing](#) Administration, working under Secretary of State Antony Blinken, they who has made his career [supporting whatever](#) establishment [foreign age](#) agenda, perhaps at the [urging of ex-president Obama](#), has been bringing power in the region while sidelining Netanyahu, an ardent [opponent of](#)

From Washington, these players have run a concerted effort in that direc [continued consistently](#) even as [more evidence surfaced](#) of Iranian aggress Iranian operative first at the State Department and then at the [Pentagon](#) - have links to the International Crisis Group. [Antony Blinken announce](#) potentially resource-heavy land to Lebanon, much of which is controlled August videos of Hezb'allah-trained fighters engaged in war games train discuss "border demarcation."

The Administration also tried to the Palestinian issue: a rebuke to

**Elon Musk Under Fire After Shocking Announcement**  
[\[READ MORE\]](#)

As occurred [during the Obama Administration](#), Biden officials assure × among all the leaders in the region” that the Palestinian issue was key to Trump Administration proving this untrue. Still, this false claim had its normalization to an unlikely peace with the Palestinian leadership diminish Iran, which opposes it, at the negotiating table.

Finally, there was the push in Israel proper against Netanyahu, ostensibly meant to stop Netanyahu’s coalition from limiting the discretionary powers of Israel’s Supreme Court, which even [non-supportive observers](#) think is merited after the Court’s 30-year aggrandizement of power. In practice, it meant Blinken and Biden directing [heavy public criticism](#) at Netanyahu’s government and using American funds to [support protests](#) which paralyzed the country, [drawing members of its security services](#) into politics even as they vouched for the fact that Israel’s border with Gaza was secure.

These moves had real consequences on and after October 7.

Hamas’s tactics were [similar to those broadcast](#) in the Hezb’allah wargames a few months earlier. [Reports indicate](#) that Israel’s cyber defense system was compromised -- a suggestive fact when it’s backlit against Iranian permeation of American defense networks.

Hezb’allah, more secure since the U.S.-backed Israel-Lebanon agreement last year, [launched rockets at Israel](#) after Hamas’s invasion. Fi in the forefront, [Netanyahu is weakened](#), and Iran’s hand in the region i

Already, the Administration is pushing to maximize these results. The V could lead to a “regional conflagration” -- an [early justification](#) for limited report alleging Iranian involvement in the planning of the attack, The [N](#) claiming that “key Iranian leaders were surprised by the Hamas attack.” campaign against Hamas that’s e Brett McGurk ended up strength
