

# Raphael Hayon's Story: A Silenced Mission.

Another piece in this tragic puzzle of Oct. 7th massacre.

This is Raphael Hayon, crying out his pain.

Raphael is an Israeli citizen who dedicated his life to listen on (radio waves of) Hamas communications and alert Israeli authorities on his findings, to help protect the Israeli citizens residing in the Gaza envelope. Raphael had prevented and thwarted many security incidents in the past with his work.

Months before the great massacre, his surveillance license was revoked and equipment was seized by the Ministry of Communications after senior security officials were fed up with his warnings. Interestingly, the equipment was returned to him after the Oct. 7th massacre, when the authorities suddenly needed his help.

Raphael identified thousands of transmissions that prove with certainty the existence of Hamas training before the attack, therefore he alerted and informed the IDF and senior security officials in real time. He begged for them to listen and act. He claims the attack could have been prevented if they had just listened. (Source and full video in Hebrew, [here](#))

Raphael described in an [earlier interview](#) his disturbing findings of Hamas' detailed planning, including breaching into Israel, massacring, taking hostages and more. (Source: Channel 13 FB page)

Raphael lost 37 friends in the massacre.

So many mysteries. The fire in Maui, the intelligence failure in Israel, etc., etc. Too many mysteries, accidents, coincidences to list here. It appears that Netanyahu and the Kenneset are under the control of the global elite totalitarian cabal. What other reason to have turned the Israelis into lab rats for Big Pharma? Wake up people

DO NOT COMPLY. RESIST.

Here in the Chicagoland area, we are waiting like sitting ducks as military aged male illegals are being housed at police stations!!! There was a time not too long ago when illegals steered clear of Police but now the government has required police to aid and abet the illegals!

Word on the street is when the signal is given, the illegals will overtake the police stations and there will be no one coming to save the citizens except for themselves.

We are being destroyed from within. Trust nobody, suspect everybody (especially politicians). Remember that you are your own first responder. Not advocating breaking the law (in gun free blue states), but arm yourselves. There is nobody to save you, except for you.

Do you have verifying proof of this? I live in the Chicago area and just did a news search on this and came up with nothing to verify.

Yes. I saw with my own eyes and you can do the same. Drive by the station in Lincolnwood on Lincoln Ave and you will see tents on the lawn, extra large suitcases lined up, non-Caucasian hanging around in front speaking Arabic and other languages (no English). This was on a Saturday afternoon. I am told by several weapons instructors, if you go to any police station after 6pm in Cook County (chicago) you will see the illegals vying for their space on the floor.

If you can't believe your own eyes then I don't know what to tell you.

I was asking for a verification. thank you Ellen. America being taken over by the foreigner and the godless is God's active judgment on a nation that has forsaken Him. Deut 28: [43] The sojourner who is among you shall mount above you higher and higher; and you shall come down lower and lower. [44] He shall lend to you, and you shall not lend to him; he shall be the head, and you shall be the tail. [45] All these curses shall come upon you and pursue you and overtake you, till you are destroyed, because you did not obey the voice of the LORD your God, to keep his commandments and his statutes which he commanded you.

I believe Meena Lee Grebin who is a prophet from Chicago had a dream that chaos was coming to that city and she was locking the windows and doors in her apartment.

Note that they always use the word "democracy." Never

freedom. Just because people vote doesn't mean it's not totalitarian.

11-Sep-2001 in the US was also a government operation, like this one seems to be. Canadian-Israeli journalist Barry Chamish tried to warn the people of Israel during the 1990's and 2000's that their government was corrupt, and it seems that the government tried to kill him by sabotaging his car, so he fled to Canada and then to the US. His books are published by Modiin House and available at [lulu.com](http://lulu.com), like "Bye, Bye, Gaza", "Save Israel", "The Last Days of Israel", "Who Killed Yitzhak Rabin?" "It's the Stinger Not the Stung: Israel's not so civil war", "Israel Betrayed", "The conPromised Land", "Shabtai Tzvi, Labor Zionism, and The Holocaust", "Return

of the Giants". People don't like conspiracy theories, they can't believe people could be that evil, but sometimes we need to wake up and know the truth. Israel's government is in league with Satanic secret societies like Freemasonry, the Vatican and the Jesuits, the Sabbateans (followers of Shabtai Z'vi and Jacob Frank), in short, everyone who is working to create a world government tyranny which wants to destroy Israel, Judaism, Christianity, and even Quran-believing Muslims.

Looks like disinformation. It looks the Hamas narrative was staged by the mass murderous Israel-regime:

<https://odysee.com/@ApexworldMedia/Zionist-Support-of-Hamas>

...and why are so many s.c. "Journalists" sooooo very very silent about the mass culling of innocent children and young people in Israel? <https://lionessofjudah.substack.com/p/meanwhile-in-israel-8-year-old-vaccine>

Hmm... Don't you become complicit in the mass culling, the more silent you are, Efrat?

Anyway, X-mas is coming up soon

<https://www.bitchute.com/video/EmPr70CObKlb/>

You are too pretty to swing the wrong way! Think about that, Efrat! There might be Nuremberg trials or peoples courts soon! Ask the questions!
