@laralogan

How much trouble is this country facing from the (much smarter than me has laid it out:

DHS is controlling the flow by coordinating and facilitating "Orderly, Humane & Regular Migration" of Foreign Non-State actors

A planned & coordinated INVASION

*NOTE: The Cartels

In that region, the cartels operate differently than

Todd showed that the local LE is the cartel in that flow.

 **WHAT IS THE CURRENT SITUATION ON OUR S**

This is hybrid warfare.

The hybrid war is a conflict with an interconnected non-state actors pursuing overlapping goals and (Border)

Each Region along our border operates differently private corruption (UN, DoS, DHS, Mexican Gov., (
