True Justice is finally being served in Washington DC.

The [J6Legal.org](https://www.j6legal.org) fund has just published it's latest exclusive video showing the DUMBFOUNDED General Counsel of the US Capitol Police **Thomas A Dibiase** being served a Federal Civil Lawsuit summons for the **J6 Class Action Lawsuit 'LANG V THAU.'**

The Gateway Pundit got exclusive access to this video by our inside source – the Process Server himself nicknamed 'MAGA SERVES'!

ON THURSDAY NIGHT- at exactly 7:51 pm, a craftily disguised conservative process server approached the home of Mr. 'Tad' Thomas A Dibiase who is the LEAD ATTORNEY for the US Capitol Police.

After a brief suspenseful pause, Atty Dibiase opens the door – in what could be the most satisfying look of 2024 – His jaw drops as he is served with an 80 page January 6 lawsuit, brought by the J6 Political Prisoners.

Two dozen J6 patriots are listed as plaintiffs on the groundbreaking multi-million dollar lawsuit against the US Capitol Police who committed the most violent assault on American protesters since the Civil Rights era in the 1960s.

Here are two acts of unprecedented violence by Capitol Police that took place that day.

The Capitol Police started firing WITHOUT ANY WARNING on the unsuspecting crowd of Trump supporters with rubber bullets and flash grenades.

The crowd had absolutely NO IDEA explosions, gas, and bullets were about to rain down on them.

The Capitol Police ignited the crowd of protesters when they threw a grandmother down a flight of 10 steps – TWICE!

The lawsuit filed on Thursday alleges violent and historic Capitol Police misconduct, gross indifference, dereliction of duty, POLICE BRUTALITY and hundreds of instances of peaceful protestors being injured on January 6!

The lawsuit was filed by J6Legal.org and has been picked up by Conservative powerhouse Attorneys Stefanie Lambert and Russell Newman.
